FALLBROOK'S FINEST - NOVEMBER 2020

ILSA GARZA-GONZALEZ

SUPERINTENDENT

Mr. Greg Keener

Math Teacher - Ivy High School

Greg Keener is a math teacher at Ivy High School. He cares about each and every student that he teaches and that makes him an excellent teacher. He sets aside his time after school to tutor students, works closely with the FUHS math department to ensure that the students at Ivy High School are covering the same standards and are held to the same rigorous expectations as their counterparts. He is an advocate for students. We are proud to recognize Greg Keener as one of Fallbrook's Finest!

Mr. Noe Miranda

Food Services Professional and Bus Driver

Noe Miranda has been a champion in food services for years, but never more than when COVID-19 hit us. Since then, Noe has been a backbone of the operations in food services. He will change his schedule on a dime and is always willing to work extra hours. He is key to organizing and putting away large orders which is not easy as FUHSD is not set up for this type of operation. Somehow, he makes it work everytime. He will frequently show up with morning goodies for the crew which is just what they need to get through the day. He drives, packs, delivers, and is the “go to” when anything heavy needs to be moved. His quiet demeanor is admirable and he is always willing to help. He is a true hero and an integral part of the team of super-heroes that make up our food services department. We are proud to recognize Noe as one of Fallbrook’s Finest.

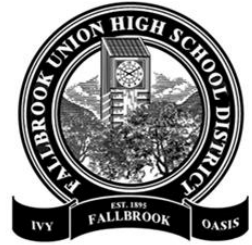

Mrs. Rebeca Wiedenhaupt

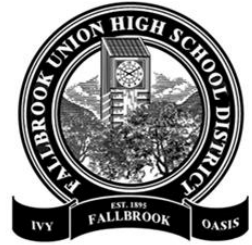

Bilingual Paraeducator

Rebeca Wiedenhaupt is a bilingual paraeducator at Fallbrook Union High School. Rebeca is always willing to go above and beyond to assist students whether we are in person or meeting with students virtually. Recently, Rebeca came to the aid of a distraught student and handled the situation with care and professionalism. She goes beyond the call of duty to support youth and for this she is one of Fallbrook's Finest.
