The infographic is titled "5 TIPS TO HELP TEENS COPE WITH STRESS" in a large, handwritten-style font. It is divided into five vertical columns, each with a different background color and a specific tip. A woman with blonde hair, wearing a white top, is speaking in front of the infographic. At the bottom left, there are two small images of teenagers with their hands on their heads, and the name "Wendy Kramer" is written below them. At the bottom right, there is a logo for "MENTAL HEALTH FIRST AID" which consists of a white cross inside a circle.

5 TIPS TO HELP TEENS COPE WITH STRESS

- GET SOME SLEEP**
Z Z Z
Getting enough sleep helps you grow and develop normally, pay attention throughout the day, and maintain overall health. For teens, this means about **8-10 hours each night**.
- FOCUS ON YOUR STRENGTHS**
Take time to **think about what you're good at** and ways to do more of these things. By focusing on and building your strengths, you can keep your stressors in perspective.
- DO THINGS THAT YOU ENJOY**
Engaging in activities you enjoy can help you relax and reduce stress. This can be as simple as listening to music, reading, or spending time with friends.
- ENGAGE IN PHYSICAL ACTIVITY**
Exercise takes our mind off stress and releases chemicals in our brain that make us feel better. This can be as simple as a stroll or as active as downhill skiing or basketball.
- TALK TO SOMEONE**
It can be hard to manage stress alone. Talk to a parent, teacher or other trusted adult about your problems and they may be able to help you find ways to manage your stress.

Traditional, In-Person Graduation for the Class of 2020

Background Information

Due to the COVID-19 pandemic and existing restrictions at the time of the Class of 2020 graduation, the graduating seniors of the Class of 2020 had a drive-thru graduation.

At the March 15, 2021, regularly scheduled board meeting during Organizational Matters, Board President Diane Summers requested the Superintendent look into the feasibility of holding an in-person traditional graduation ceremony for last year's graduating seniors. She stated a number of schools were offering this option and that community members had approached her with the idea and that she would like a report presented to the board.

Survey of San Diego County School Districts

A survey was sent to San Diego County Superintendents. Thirteen responded.

The following districts ***will not*** have any promotion or graduation activities for last year's students.

- Borrego Springs Unified School District
- Carlsbad Unified School District
- Escondido Union High School District
- Grossmont Union High School District
- Jamul-Dulzura Union Elementary School District
- Julian Union Elementary School District
- Mountain Empire Unified School District
- Oceanside Unified School District
- Poway Unified School District
- Ramona Unified School District
- San Marcos Unified School District
- San Dieguito Union High School District
- San Marcos Unified School District
- Sweetwater Union High School District

Current Guidelines

For graduation, schools must follow the guidance for Outdoor Live Events with Assigned Seats and Controlled Mixing

RED TIER	ORANGE TIER	YELLOW TIER
Maximum 20% capacity	Maximum 33% capacity; 67% if all guests are tested or show proof of full vaccination	Max 67% capacity
Weekly worker testing program	Weekly worker testing program	
In-state visitors only	In-state visitors only	In-state visitors only
Primarily in-seat concessions	Primarily in-seat concessions	Primarily in-seat concessions
Advanced reservations only		

Costs

- In a “normal” year, the cost is approximately \$15,000.00 per graduation.
- This year, cost will increase due to the possible need of more than one graduation for FUHS, outdoor graduations for Ivy and Oasis High Schools, weekly worker testing program, and testing of attendees.

Other Considerations

- The District has not received any requests for a graduation for last year's graduates to be held.
- Students would walk across the stage but not receive a diploma.
- Some students may be at college (i.e. valedictorian, salutatorian) and not be able to attend and give their speeches.
- Ivy and Oasis High Schools: separate?
- Photo opportunities?
